

**B. T. COUNCIL
HOLDS MEET;
DELEGATE IS
ELECTED**

That the mill owners of the county have formed a combination with the contractors to fight organized labor was reported to the Building Trades Council last night by a number of delegates. The action of the mill owners in throwing out the union stamp was also reported on. The Tilden mill at Crockett, it was reported, has dispensed with the stamp. It is still being used in the mill at the county line.

W. Pennington was elected delegate-at-large to the convention of the State Building Trades Council in San Francisco and was instructed to vote for the introduction of the initiative and referendum into the government of the Building Trades Council. This measure has come up at each convention of the council for several years. At the last convention a Referendum League was formed and it has been busy circulating literature on the initiative and referendum through the past year.

Credentials were given S. Lauranana of the Painters and H. E. Fenton of the Plumbers as delegates from their respective unions to the convention.

Business Agent Heckman reported progress in Martinez, with immediate prospects of improved working conditions and the employment of a large number of the homeless of the city now camped around that town. Contractor McNulty is building several houses in the county seat. Architect Harbott has the direction of the building and the work will be strictly fair to organized labor.

John Sandberg was seated as a delegate from the Hod Carriers Union.

**INQUEST NEXT
TUESDAY NIGHT**

The inquest to determine the cause of death of the late Mrs. Edward Anderson, who was killed in an automobile accident last Sunday night, will be held in the Smallwood parlors by Coroner U. S. Abbott next Tuesday night. A number of witnesses have been subpoenaed to appear to testify, and a coroner's jury has been selected.

Whether or not the charge of manslaughter now against A. S. Houghton, Standard Oil employee, who was driving the machine when the fatal accident occurred, will be pressed or dropped, will depend largely on the verdict reached by the coroner's jury. Houghton is now out on the \$2000 bail granted by Justice McKinnon of Steno.

**PETER MANNI
FOUND INSANE**

SPECIAL TO THE NEWS.
MARTINEZ, Feb. 19.—After a deliberation of but a few minutes, the jury in the case of Peter Manni decided that the aged man, who has been on trial for his life all week for the killing of his wife, is insane. He will be committed to a state institution.

Throughout his entire trial, which has taken up the greater part of the week in the Superior Court, Manni has paid but little attention to the proceedings. He has repeatedly expressed a willingness to die for the killing of his wife.

Expert testimony brought into court during the trial of the case was to the effect that a man acting as Manni did was afflicted with senile debility, due to old age.

**Contra Costa And
Richmond People
To Have Reunion**

Richmond and Contra Costa county residents plan to attend the opening day ceremonies at the Panama-Pacific Exposition tomorrow by the hundreds. In order that Richmond, the most enterprising city in the state, and Contra Costa, the best county in the state, make a proper showing, it is planned to keep the local delegation together as much as possible. The Richmond Industrial Commission, Richmond Exposition committee and other civic organizations, have sent out letters urging visitors to congregate around the Richmond and Contra Costa exhibits and there hold a big reunion, letting the thousands of others in attendance know that Richmond and Contra Costa residents are not only vitally interested in their display, but have that "stick-together" and "all-for-one-and-one-for-all" spirit.

**THORPE NEW PROPRIETOR
OF BAR AT RICHMOND**

Ed L. Thorpe, who was formerly in the Subway cigar store, has purchased the Hotel Richmond bar from Sam Wright and Charles Hackett. The bar is located at 1210 Macdonald avenue. Thorpe is planning a grand opening, the date of which is to be announced in the near future. Roy Patterson, states Thorpe, will be on duty in his establishment at nights.

**WELCH GIVEN SENTENCE;
ALSO GIVEN PROBATION**

Clifford Welch, who has been in the Police Court on numerous occasions of late, was yesterday sentenced to serve a sentence of 60 days in the county jail at Martinez by Police Judge Lindsay. Sentence was suspended during Welch's good behavior. If he engages in any more fights during the period of his probation, he will be compelled to serve his term. Welch was charged with disturbing the peace by Steve Sasabaka.

Within the last month Welch has been in court three times. One of the cases against him was dismissed, and he paid a fine on his plea of guilty to the second.

**BENEFIT BASEBALL
DANCE IS TONIGHT**

One of the biggest social events of the season will attract hundreds of pleasure lovers to the dance pavilion at East Shore Park tonight. The occasion is the benefit baseball dance to be given for the Winehaven baseball team. All day yesterday a committee was at work decorating the big pavilion.

Elmo Pinkerton, manager of the baseball team, will be floor manager tonight. Pinkerton and his corps of aids will see that everyone attending has a good time.

**RICKTER VICTIMIZED
TO EXTENT OF \$8**

H. J. Richter of the French American bakery at 1224 Macdonald avenue, was the victim of a bad check man, who succeeded in passing spurious paper, amounting to \$8, on him. The fictitious check passed purchased 60 cents' worth of Richter's wares, and then presented the \$8 check, which was on the Humboldt National Bank of San Francisco.

Richter described the man as of small stature. He was clad in a gray overcoat, gray suit of clothes, gray cloth top shoes, gray necktie and a gray hat. The police are working on the case.

**ADDITIONS RETARD WORK
AT COUNTY LIBRARY**

Owing to the fact that the additions are being made to the county library at Martinez, the work being done by County Librarian Mrs. Alice G. Whitbeck has been somewhat retarded. She expects to be able to arrange her affairs so as to catch up. The display for the Panama-Pacific Exposition is now being arranged and will be ready to leave within the next day or so.

**FRANK CASSELL HAS
DROPPED FROM SIGHT**

Frank Cassell, formerly an employee of the Pullman company, who recently boarded at the home of E. D. Murphy at 538 Eighteenth street, has dropped from sight. He was last seen a week ago today. Friends are worried concerning his whereabouts, and they fear for his safety.

**WILL BUILD
BIG GARAGE
HERE SOON**

Architect Osborn is now completing work on the plans for a big new garage, that Oepfenreiter & Noble, proprietors of the Richmond garage at Second and Macdonald, plan to construct in the near future at the southwest corner of Seventh and Barrett. In a very few weeks work on the building, which will be a brick affair, will be started. The dimensions of the garage will be 50x112 1/2. The building itself will cost between \$2000 and \$5000. It will take many hundreds of dollars more to completely equip it.

The floor will be of cement.

**CLERKS' UNION
GIVE DANCE AND
BANQUET**

At one of the biggest meetings ever held by the Richmond Clerks' Union, two more of the lady clerks were initiated, making the organization of the retail clerks in this city 100 per cent.

The business session was brief and was followed by a banquet and dancing.

H. J. Conway, secretary-treasurer of the Retail Clerks' International Union, made a brilliant talk on the principles of unionism. He explained conditions among the women workers of the East and the hard fight the union put up for the women clerks of Lafayette, Ind. He declared that the union deserved credit for the good conditions in Richmond. He was followed by George French, international organizer; E. Goodman, secretary-treasurer of District 4, California.

There are now 54 members in the Richmond Clerks' Union. Several male clerks will be initiated next week. Forty members were present at the meeting last night. A large number of relatives and friends of the members were guests of the organization at the social part of the meeting.

The two initiated were the Misses Mary Smith and Iva Standford, both employees of Jones & Addison. These delegates will represent Richmond at the convention of the Clerks' Union to be held in San Francisco Sunday and Monday. H. Cunningham, J. Saeo, E. White, Sidney, George Black, Frank Smith, H. B. Hollingsbaugh and J. Bottom.

PLAN CARD PARTY

One of the Council, Degree of Pochontas, is planning to give a card party in Pythian Castle on the night of Wednesday, March 10. The prizes will be \$3 merchandise orders. During the evening there will be refreshments and dancing. The committee in charge of the affair is Mrs. Lottie Donnelly, Miss Alice Warrillow and Walter Patton.

**LOCAL BOY TO
ENTER RACES**

Richmond will be represented in the field meet to be held at the Fair grounds in San Francisco on April 9. Clarence Cain, crack long distance runner of the local high school, plans to be among the entrants in the 880-yard dash. Cain is now in training for the event.

**ARRESTED FOR
PISTOL THEFT**

Edward St. Clair, 18-year-old boy, was yesterday arrested on a charge of stealing a revolver from the shooting gallery of William Pickett at 524 Macdonald avenue, last month. St. Clair, who was taken into custody on Pickett's complaint, admitted the theft of the revolver.

Owing to his youth St. Clair's case will be disposed of through the juvenile courts. Probation Officer McMahon is expected to arrive from Martinez today to make an investigation.

**JEWELRY IS
STOLEN FROM
HOME OF S.
WRIGHT**

The home of Mr. and Mrs. Stanley Wright, 920 Barrett avenue, was entered last night between 8 and 10:30 o'clock and \$400 worth of jewelry taken.

Mr. and Mrs. Wright left the house at 8 o'clock and went to the home of Mrs. Mary Perez, mother of Mrs. Wright, next door. They returned at 11:30. One room, a bedroom, was the only one ransacked. From it was taken a lady's gold watch, a gold Elk's pin, a diamond stick pin, a gold cross, gold beads, an Elk's tooth and five \$2.50 gold pieces.

Wright said last night that the thief or thieves must have known where all the jewelry was kept, as it was apparent no hunt had been made. He has put up a \$50 reward for the return of his wife's watch, which was his wedding present to her.

**WINEHAVEN WILL
HOLD DANCE**

Tonight the last pre-Exposition dance will be held by the popular baseball boys of Winehaven, in the East Shore pavilion. Swartz orchestra has been secured for the dance, and as the Calwa boys have always been popular dance hosts they will have a good crowd.

Elmo Pinkerton will be chief of the floor committee, and will be assisted by Amos Moss. Refreshments will be served during the dance. The dance is for the benefit of the baseball team they will have during the coming season.

**MISS ALICE GAVIN IS
DEAD IN SAN FRANCISCO**

Mrs. Alice Gavin, resident of 353 Ninth street, this city, died in a San Francisco hospital yesterday, according to word received here. Besides a husband, the decedent leaves a daughter to mourn her loss. Mrs. Gavin's many warm friends in this city were shocked last night on hearing of her demise.

The funeral will be held in San Francisco at 2 o'clock tomorrow afternoon.

**ROTH MOVES AN OLD
BUILDING NOW BEING
RAZED TO THE GROUND**

Justice of the Peace Roth is now established in his new offices on Richmond avenue, in the structure formerly occupied by the Manning Dye and Cleaning Works. Constable J. A. Gregory and Deputy V. A. Floyd will also occupy the offices temporarily.

Work was yesterday started on the tearing down of the old wooden shack at 11 Park place, where Roth formerly had his offices. As soon as the structure is razed P. A. Palmer, San Francisco contractor, will start on the construction of a two-story brick building for A. Yahrus.

**SOUTHERN PACIFIC TO
HAVE SPECIAL TRAIN**

The train is to leave San Pablo at 7:30 a. m. and Richmond at 7:35 a. m.

EAGLE ADOPTS COMMENT

In answer to a number of queries the management of Lang's drug store hastens to explain that the fine new stuffed eagle in the display window atop of a box labeled "Ziska," is the local hero of Lang's new acquisition. "Ziska" is the name of what is in the box, not of the bird.

**PLAN A BIG
MEETING TO
BOOST CITY**

Plans are being made by the Richmond Industrial Commission to hold its next meeting in Richmond, and to invite every public spirited citizen of the city to be present at the gathering. It is proposed to have a banquet in some commodious place in the city.

The meeting, following the banquet, will be open to general discussion. Many of Richmond's leading citizens will make talks, giving their views of how to advance the city, and how to make the Exposition bring results locally. Every one who has suggestions to make will be given a careful hearing.

One of the things that will come up for discussion at the meeting will be the arranging of regular weekly excursions to this city during the entire life of the fair. It is proposed to bring men with capital here, show them what this city has to offer and try to induce them to locate and invest.

At the last meeting of the Industrial Commission, held at San Francisco, it was the consensus of opinion that everyone should not only be invited to attend the gathering, but should urgently be requested to be present.

The date of the big public gathering will be announced in a few days.

**RICHMOND BAND USES
MONEY FOR CHARITY**

Thirty-six dollars was cleared by the Richmond Concert Band on the last charity benefit ball. This money was evenly distributed among several needy families, and was used in arranging for clothing and grocery orders. There was a balance of \$25.55 left in the fund. This money has been turned over to the Carlson fund.

The band boys want the public to understand that every cent taken in has been used for charity and not music and carfare.

**WEST SIDE WOMEN
WILL BEAUTIFY HILLS**

Today or tomorrow, weather permitting, members of the West Side Club will start the work of planting geraniums over the hillside and terraces on the west side. The hillside will be burned away. The committee recently appointed to take charge of the planting work is composed of Mrs. T. T. Cramer, Mrs. J. F. Eaton and Mrs. R. L. Adams.

NEW PROPRIETOR

Charles Bates, who formerly conducted the Standard pool hall at Seventh and Macdonald, yesterday took charge of the Alaska Billiard and pool hall at 425 Macdonald avenue. The Alaska, which was sold under a foreclosure sale to R. H. Griffin, yesterday has been conducted for the past several months by Henry Hill.

**STUDENT COURT
IS ORGANIZED**

A student court, with judge, prosecuting attorney, sheriff, bailiff, clerk and reporters, was started at the local high school yesterday. Minor cases will be tried in the court, and the proceedings will be conducted along the lines of legal court procedure. The decision of the court will be subject to the faculty of the school, and that body also reserved the right of sanctioning all cases to go to the Grand Jury and to the court.

The idea is rather an innovation in high schools, although there are a few schools in the state that practice it. Cases of inter-student interest only are dealt with by the court, and the main idea of organizing the court is to afford those who are inclined to follow the law a means of early training.

The first officers for the court are: Superior judge, Chester McAllister; prosecuting attorney, Philip Angell; sheriff, Leonard Gerlach; clerk, Doris McLarny; bailiff, Donald Gray; court reporters, Loretta Krough, Jennie Moore and Gladys Pearson. The civics class constituted the grand jury.

Several detective agencies have sprung into life, and the law firm of "Hooman, Sharp and Stewart" has hung out its shingle.

**RICHMOND'S EXHIBIT
NOT YET INSTALLED**

Richmond's exhibit is far from being completely installed and will not be in the shape that the Richmond Exposition Committee wanted it in, for a week or ten days at the most. An assertion to this effect was made last night by F. J. Hulaniski, one of the local commissioners. Hulaniski further stated that what applies to Richmond's individual exhibit also applies to the Contra Costa exhibit.

The building in which the exhibits are housed is not completed. Carpenters, cement workers and men in other crafts are still at work and their materials are scattered broadcast throughout the building. A great part of the material for the Richmond exhibit is still in the boxes.

The attendants and commissioners have been unable to pack the boxes because there is no place to put the material.

Hulaniski, Wernse and Hulan, the commissioners, spent Wednesday in the building. In spite of their efforts to get the local exhibits into shape, they were unable to make much progress because of the work going on where the exhibit is to be.

A large part of the Contra Costa county exhibit is still unpacked. Hulaniski says the Richmond exhibit will be second to none when it is finally and completely installed, but there is little chance to get the work done for ten days yet.

**IMPORTANT MEETING OF CARPENTERS
TO BE HELD TOMORROW EVENING**

A very important meeting will be held by the Carpenters' Union tomorrow evening in the Labor Temple.

Every member of the union should attend that meeting. Business of vital interest to every member of the organization will be taken up.

The meeting will convene at 7:30 sharp. The interest in the meeting is general and a large attendance is certain.

**HEAVED ROCK AT ENEMY
SMASHED WINDOW, FREED**

Because Arthur Barone attempted to sneak the back of W. Ludwig several weeks ago at the corner of Market and Kearny streets, Barone was charged with malicious mischief and, having lost court.

He demanded a jury trial. He was given a jury trial yesterday in San Pablo. On the stand he admitted that he had thrown that nice big rock at the head of W. Ludwig. The jury listened attentively. It listened very closely, judged. Then it decided that Barone was not guilty!

But that isn't the whole story. When Barone threw that huge rock at the head of Ludwig at the corner of Market and Kearny streets, San Pablo, he missed Ludwig and smashed the front window of the Sunwyde Hotel bar.

**PEARSON IS INSTALLED
AS MASTER OF ACCOUNTS**

A. L. Pearson was installed a master of accounts at the regular meeting of the Brotherhood of American Yeomen, held last night in Pythian Castle. During the evening much interest was taken in the discussion of the plans for the big initiation and banquet to be held on March 4. The committee in charge of the evening is Mrs. Linnie Pearson, Mrs. Eunice Coyer and Mrs. Flora Thompson.

**MOOSE START ON FIRST
OF TRIPLE TOURNAMENT**

Following the meeting of the local lodge of Moose, held last night in Moose Hall, the first of a series of pool, billiard and whist tournaments was started. The members of the order as a whole are taking an interest in the tournaments.

During the business session R. A. Spencer of Goldfield was taken into the order.

**REBEKAHS PLAN FOR
TRIP TO BAY POINT**

At the meeting of Richmond Lodge of Rebekahs No. 206, held in W. O. W. Hall last night, plans for the visit to the lodge at Bay Point were discussed. The Rebekahs will visit Bay Point on March 4, and there put on initiatory work. The committee in charge of the arrangements for the trip to the nearby town is composed of T. S. Bradley, Mrs. A. Clark, Mrs. A. T. Davis, Mrs. L. Whiting, Mrs. E. Conley, Mrs. R. E. Redmond and Mrs. E. F. Tipton.

LANE'S MOTHER VISITS

Mrs. J. A. Moore of Placerville, Monterey county, is visiting her son, Councilman William Lane, at his home at 219 South Fifth street.

**CARLSON FUND
GROWING FAST:
NOW WAY OVER
THE \$100 MARK**

The Carlson fund is now well over the \$100 mark. It is still growing and growing rapidly. Mrs. A. Mager, 2400 Solano avenue, yesterday advised the Daily News that the fund of last week she will bring into the office of this newspaper \$300, which amount is the total of the pledged contributions of those who have signed the list she has been circulating.

These contributions were added to the fund in the office of the Daily News yesterday.

Schooler \$1.00
D. E. Horvick \$5.00
Member \$3.00
Cash \$1.00

Before yesterday the total fund was \$200. With yesterday's contributions and the amount pledged to Mrs. Mager it reaches the grand figure of \$500.00.

This is not of course, the entire amount of the fund contributed to the fund. The Daily News is only a part of the general effort to help the Carlson. The money will be used to buy a new home for them.

You should help. Send what you can to this office, Rev. F. J. Hulaniski, 2400 Solano avenue, San Francisco.

GIVE US OUR BREAD.

Those who buried progress under the erupted lava of an insane patriotism six months ago are once more advised to take note of the fact that the resurrection is already here.

It is not simply that Germany, by the seizure of food stuffs and the introduction of a communistic system of distribution of the essentials of life, has leaped deeper into state ownership, which is but the herald of Social Democracy, than the organized progressives of Germany could have educated the nation to reach in years. It is not alone that Austria Hungary must take the same step tomorrow. Not even the fact that supposedly individualistic England is already contemplating the same step, and is being driven to that by the definite demands of a powerful union movement is the most significant evidence that real progress is moving now by explosive leaps where, it once crawled with painful steps.

In all of the warring nations, and, but a little less in those outside the melee, a force is making for revolution that is more educative than many books, more explosive than dynamite, more progressive than legislation. This force is a world of hungry stomachs.

When half the world starts to raising hell instead of food someone goes hungry. When the markets of the world are almost as fluid as the oceans that flow around the continents, that hunger will not be confined to fighters.

The bombardment to which the non-combatants of every nation are now being subjected by the food monopolists is more deadly than any shrapnel fire that is sweeping the fields of France and Belgium. That bombardment is pressing ideas into even the solid ivory that so often tops a starving body.

The cry of "Give us this day our bread or we perish," is beginning to drown out the strains of both "Tipperary" and "Die Wacht am Rhein."

That same cry is sounding here. It is growing louder daily. There is no other way to relief save through the communistic idea. Every other way will be tried. Every possible shape of stone will be given in the hope of stilling the cry for bread.

The above is clipped from the Milwaukee Leader. For our readers who are afraid of words it has been changed a little. Those who have something besides bones in their heads should substitute Socialism for the words that were written in to save the feelings of the Republicans, Democrats and "Progressives."

MURDER TRIAL IN UP AGAIN NEXT WEEK

Judge W. M. Conley will go to Martinez next Tuesday to preside at the trial of Joe Fonseca, charged with murdering John Leandro in Concord last September. WHAT GOES UP MUST COME DOWN.

By A. ODELL

We have all played this game, tossing into the air a cup of water, a hand full of pebbles or sand, or something of the kind, repeating the above caption, and making merry over the failure of companions to dodge the falling missiles.

The same game, in a political sense, has been played by our legislators and ratified by the electors of the state.

The poll tax, which has been the only means whereby the floating population, mostly undesirable foreigners, were made to contribute any part of the expense of its protection, has been thrown from the shoulders of this class; and the legislators have been—now—in quite a quandary to find how to prepare a suitable place for its alighting, for "come down it must." It is strange that sensible legislators should have proposed so foolish a thing, and it is also exceedingly, aye, unaccountably strange, that so many of the electors, whom you would think endowed with reasonable sense, should cast their ballots to ratify a measure of such ill import. But it seems that a large per cent of our citizens vote without any calculation in regard to the results, taking for granted that whatever is proposed by the lawmakers is all right, and having a predisposition to want change, change, change, and never willing to "let good enough alone."

It is not always the best to vote "No" on a question which you do not understand; but in case of a proposal to change our constitution, if you do not fully understand its import, a negative is far safer than an affirmative vote; for if we have lived under the constitution as it now is, we can continue to so live until such time as a majority can understandingly vote for a change. Legislators often, through sinister motives, propose changes, and, hypocritically, advocate their ratification. A strong case in point was the change in regard to assessment of taxes proposed in September, passed in October, and ratified in November, 1910, the ratification being only about a month after the passage of the resolution by the Legislature.

The time chosen for the introduction of the proposition was at the special session of the Legislature, called for the purpose of making provision for voting a tax to help in securing for California the Panama-Pacific Exposition, when the proposition knew that the minds of most of the legislators would be centered upon the one subject, the Exposition, and would be likely to overlook other matters; and when he knew that the time for consideration by the people would be only about a month; and that the voting would be at a time when the people would be much excited in regard to the securing of

The Exposition, and in regard to the great gubernatorial contest which was then on hand.

The measure was introduced under the plea that the wicked public utilities were hard to collect from, and that the great state could do that work so much better than could the counties and municipalities; and that thus those erring concerns could be brought into subjection, and made to do their part. Did those corporations object to the change?

Not a squeal, not a whimper was heard from one of them. But, on the contrary, a professor of the university—you know that professors of universities can't be mistaken, neither can they be hired to advocate that which they know is not correct—was hired to lecture in the interest of the change; and those corporations now maintain a lobby at the Legislature to guard against any meddling with their precious measure.

ROSS MAKES ESCAPE FROM THE HOSPITAL

Walter Ross, arrested several days ago when he insisted on foisting his queer religious beliefs on Rev. D. W. Calfee, pastor of the Wesley Methodist church, and who is believed to be insane, succeeded in making his escape from the county hospital at Martinez, according to word received here yesterday. The officials expect little difficulty in capturing Ross, on account of his weakened physical condition.

WINEHAVEN TO HAVE ITS BIG GAME OF YEAR ON MAY FIRST

Winehaven plans to have its big baseball game—the biggest game played anywhere—in the United States—on May 1 this year. Arrangements were yesterday completed whereby the Casa Calvas of San Francisco, known over this way as the San Francisco office team, will clash with Pinkerton's hopes on May 1. The big battle will be staged on the Winehaven lot. The personnel of the San Francisco team is not known.

Pinkerton announced yesterday that his boys from the haven of vineages will play their first game of the season on Feb. 28. Who their opponents will be is not known at this time.

The new Calva uniforms are expected to arrive today. The suits are the same color and material of the "unif" used by the Seals while the S. F. club is on the road.

Winehaven people are all making preparations to attend the benefit baseball game to be given at East Shore Park tonight.

John Bromley, Berkeley boy, who has been signed with the Oakland Coast League club, is one boy who is determined to make good, after losing numerous jobs because he could not lay off the midnight league. Friends of Bromley in this city say the husky blonde spitball artist has not smoked or tipped a tail one since the first of the year. "Adonis" will be right this season, and we predict his success right now.

We suspect that the Redwood City dame who would not promise to obey when the marriage knot was being tied, therefore causing the trapped groom several jobs of thought, is marrying because she figures she has a medal ticket in tow—not because she is in love with her husband.

SPORTING GOULASH

Bill Luce had about given up hope of landing Bill Hamilton, speedy St. Mary's boy, for the Elks. Now the Hamilton seems willing to come here and work and play ball, the buck is up to Luce.

WE ONLY WISH PUBLISHED REPORTS TO THE EFFECT THAT LOWENBERG'S WIELANDS ARE TO PLAY HERE SUNDAY WERE TRUE. A SAN FRANCISCO PAPER SAID THAT LOWENBERG PLANNED ON BRINGING A BAND TO RICHMOND, AND THAT SUCH CELEBRITIES AS HARRY WOLVERTON AND CLIFF BLANKENSHIP WOULD PUT IN AN APPEARANCE. BLANKENSHIP WAS TO HAVE UMPIRED. LOOK WHAT WELL MISS OUT THIS WAY. IN LACK LUCE WAS ONLY IN PASSABLE SHAPE.

"Dutch" Holstrom, an old protégé of "Brick" Berens, is setting into shape by playing with bush teams in Oakland. Holstrom's batting ability is said to be just as good as ever.

Listen to this from the Vallejo Chronicle in regard to Richmond: "The lower bay town... is... without doubt, one of the best, if not the best, baseball town in the state supporting an independent team." We thank you, Mr. Chronicle man.

WIELANDS WON'T PLAY THE ELKS SUNDAY

No, there will be no game on the local lot next Sunday between the Elks and Louie Lowenberg's fast Wieland team. It is sad, but true. Hopes of local fans were raised yesterday when they read in a San Francisco paper that Lowenberg would bring his league here for a game. These hopes were dashed to the ground when Magnate Luce denied that any arrangements had been made for a game.

For some time Luce had been dickering with Lowenberg for a game. But the local man and Louie Lowenberg could not agree on a date. It is possible that the Elks may meet the San Francisco bunch later in the season.

Lowenberg has a fine bunch of stars on his staff now. All men on the team are either big leaguers or play in Coast League clubs.

The Wielands line up as follows: Pitchers, Claude Williams, Cy Ross; Dutch Ruether; catchers, Eddie Burns, Jim Riordan; first base, Babe Danzig; second base, Sam Cohen; third base, Oscar Vitt; shortstop, Billy Orr; right field, Justin Fitzgerald; center field, Cullen; right field, Mengis.

MOLECULES WILL MEET MIDGET FIVE

Tonight the Midgets clash with the Molecules in a basketball game in the local gym. Also a girls' team will play a game. The personnel of the Molecules is Marcella, Robertson, Blake, Rasmussen and Demings, and the Molecules, Greathouse, G. Peres, E. Peres, Lang and Harlow.

Dancing will follow the games. Students, alumni and former students only are invited.

BILL HAMILTON IS WILLING TO PLAY HERE

"Pep" Hamilton, one of the fastest insiders running loose outside of the fold of organized ball, and who has landed the third base job on the St. Mary's college team, wants a job on the local club. Hamilton is now in communication with Manager Luce, and the two men, manager and player, are dickering over terms.

Luce is sweet on Hamilton, and if he can provide a chance for the college boy on his infield, after the college season draws to a close, "Pep" may be seen in an Elks uniform. "Midget" Childs, of Richmond, captain of the Elks, is a strong booster for Hamilton. Childs says Hamilton is one of the best prospects running loose anywhere.

Hamilton was with the Woodland club of the Trolley League last year. He hit over .300 until the league grounded on the shoals of financial extravagance.

Dame mentioned above may not be willing to obey her husband, but she won't refuse to bury her teeth into the steak he provides.

King Solomon in all his glory has never arrayed like John Toffli, mascot for the Winehaven baseball team, will play a game.
